

## Curie Elementary PTA Welcome letter

Dear Families,

The Curie Elementary PTA would like to extend a warm welcome to another exciting school year at Curie. We hope that you and your family are remaining healthy and safe during these unprecedented and challenging times. Although many things might have changed in our lives there is one thing that will never change, our mission to care, support and value our kids.

As we look forward, we will do our best to implement our operation to comply with the “new normal” and support our kids and teachers so they can continue to attain excellence in education!

In this Opening Day Packet, you will find important information and learn more about the PTA and how to be connected with us all year around.

The primary way to make this happen is to **join the PTA!** This is your chance to be a member of a great organization that funds many of the cool things you see around our campus. Your support enhances your child’s experiences at our school, and we want to hear from you! When you join the PTA, you are not obligated to attend all meetings nor volunteer; you can participate as much or as little as you would like or able, finding the perfect balance that is right for you.

The Curie PTA strives to make this school the best place for all the students. We want to be a huge resource for the school, and we welcome and seek your involvement and direction. By joining and volunteering in the PTA there is no better way to get connected. It has been proven that a child whose parent(s) is involved in his/her education and school experience is a more successful student. So, please we encourage you to share your ideas, concerns and experiences by putting your skills, hobbies, and interest to work!

Everyone is invited to join the PTA and attend our monthly meetings, which will start off online via Zoom every third Wednesday of the month at 7 pm (see dates on the next page). We will transition to in-person meetings when permitted. We provide childcare and light refreshments. Attending keeps you more informed, and as a member, you have a vote in all PTA decisions.

We look forward to having you at Curie and join the PTA. WELCOME BACK!!!
